SR-5 Dixie Fellowship – Sunday, April 25, 2004 - Morning Edition

2005 Dixie Fellowship

My name is Hunter Eisele, and I am the Dixie Vice Chief for 2005. I have accepted this opportunity on behalf of Muscogee Lodge and hope to host the best Dixie Fellowship to date. The weekend of April 22-24, 2005 will bring to us a great opportunity. Section SR-5 will gather at Camp Barstow, in Saluda, SC, which is about 30 minutes outside of Columbia. We are very excited about hosting Dixie at Barstow, since it will be the first Dixie hosted at this new camp. We have plans for many new facilities which are already under construction. I hope to see everybody out at Barstow next year, for the greatest conclave in SR-5 history. Please check www.dixiefellowship.com for future updates. Our Lodge webpage is www.muscogeelodge.org, and my e-mail is HunterE221@aol.com. We look forward to welcoming you to our camp next year. Hope to see you there!

From Log to Masterpiece...

Who would think that in one weekend, a 5-foot long, 2-foot diameter section of poplar could be transformed into a piece of artwork to transcend the ages? Well, since Friday afternoon, teams from all eleven lodges of SR-5 have been hard at work doing the impossible. Totem poles with designs ranging anywhere from large torches to Santa Claus filled a large tent near the Chapman Shelter, as scouts of all ages labored diligently to create these masterpieces. With a variety of jobs needing to be done, a wide range of people came to help out—from wood carvers and painters, to sanders and cleaners, to family members providing moral support. Almost anyone could join in the fun, from young beginners to seasoned professionals. Results from this competition, as well as all others, can be found on the back page.

Brothers,

On behalf of Catawba Lodge and the Mecklenburg County Council, thank you for coming to the 2004 Dixie Fellowship. The brothers of Catawba Lodge have worked very hard to give you the best Dixie possible. I hope that you had a ton of fun this weekend! Please have a safe trip home and I hope to see you next year.

In Brotherhood,

John Mickey
2004 Dixie Vice-Chief

Dancing is Fun

We saw lots of dances last night and for those of you who were wondering what those cool dances were, here's a handy-dandy list. The Muscogee Lodge performed a grass line dance as did the Bob White Lodge. Eswau Huppeday entertained us with two Cherokee social dances: the Quail and Eagle dances. The dancers of Atta Kulla Kulla also gathered for a Cherokee social dance: the Ant dance. Finally, Unali'yi wrapped up the evening with a Sneak Up and Victory dance.

Audience members were able to watch and learn about the dances as they were explained during the show. We would like to thank all of the lodges that participated in the dancing events last night.
